2.2 The price of the Goods shall be PFL'S quoted price or, where no price has been quoted (or a quoted price is no longer valid), the price listed in PFL's published price list current at the date of acceptance of the order.
2.3 A quotation given by PFL will constitute an offer to trade only. Any order from the Buyer based on the quotation shall constitute an offer to buy and no contract shall exist until accepted by PFL as herein provided.
2.4 The time of payment of the price shall be of the essence of the contract

3. Terms of Payment

3.1 Subject to any special terms agreed in writing between PFL and the Buyer, PFL shall be entitled to invoice the Buyer for the price of the Goods:

3.2 The due date for the payment by the Buyer of the price of the Goods shall be three days after the date of issue by PFL of the invoice for the Goods notwithstanding that delivery may not have taken place and the title to the Goods has not passed to the buyer.
3.3 Without prejudice to the provisions of sub-clause 3.2 PFL will allow the Buyer the discretionary right to pay the price of the Goods by the last day of the month following the month in which PFL's invoice is dated (the discretionary date) until this discretionary right shall be withdrawn by PFL giving notice to the buyer of such withdrawal. Notice shall not be given by PFL unless the buyer shall be in default of any payment obligation on the part of the buyer under any contract entered into between the buyer and PFL
3.4 Any payment on account will be allocated against the Buyer's longest outstanding invoices first, as determined solely by PFL.
